

My Erasmus Plus experience when hosting a German friend

Both the experience of going abroad and receiving a foreigner, my friend from Germany, has been incredible, thanks to the opportunity that the school has given us and the help in what we have always needed.

I have met wonderful people from whom I have been able to learn a great deal, even more than I expected; and I think I will never forget this experience.

I would also like to thank the other countries that have collaborated and the teachers who have made everything easier. Thanks to this Erasmus Plus Project, I have visited cities and towns that I never imagined about and have learned from the culture and thought of the students.

During this week, the best trip for me was on Wednesday, since we visited Córdoba and we could see an incredible horse show.

To sum up, I have loved the experience and I hope I will have the chance to repeat.
